Home must close at construction completion as determined by Ashton Woods. Rates are determined at time of lock and may vary depending on program, down payment and loan amount, market fluctuations, as well as other factors outside of the seller or affiliated lender's control. Rate reduction is based upon seller paying incentive in an amount equal to the discount points required to reduce the rate by up to 1%, calculated at the time buyer initially locks in the rate. Buyer must lock interest rate 60 days before closing. The current market rate is based upon the rates posted daily on www.mortgagenewsdaily.com. The incentive is limited to a contribution of 4.00 points by seller and the cost of the buy-down shall not exceed seller's contribution limits. Qualification, income and/or geographic restrictions may apply. Offer only available on homes that are purchased as a primary residence.
